

BY THE WAY

There will come a time to roost. Because they are not satisfied after they leave home. We often dig a hole for others that we fall into ourselves. Speak the truth all some times. The Senate committee will investigate the workhouse. If you want to know why the workhouse is over-crowded investigate the Police Court. Our public schools are progressing nicely. What can you expect when you tell an untruth. The Police trial board is a great institution. Will the Commissioners recommend a change in the jury system in the Police Court? Congressman White is to be complimented on his speech. Are there to be any more banquets? The 2nd Baptist literary is in need of a new head. Will Bishop Johnson make a change? Speak what you know and nothing more. Never tell your friends all you know, it will not pay. It is not well always to play tricks on your friends. Register Lyons, knows when to talk and what to talk about. We often get conceited to our detriment. The President will not appoint a negro general or colonel. In our effort sometimes to injure others we injure ourselves. A sample of the above is beautifully illustrated in the case of the recently rejected negro lieutenant. Dr. Phill B. Brooks is a popular physician. We often think we can do with out those who elevate us. White men may find it unhealthy to go to Cuba. Rev. Taylor of Shiloh will start another literary soon. Some people talk too much, especially when they are in trouble. The world is a stage and people are merely players. Do your duty and nothing more. Whatever your fault, be just to your fellow man. Never forget little acts of kindness. Protect your home and be kind to your children. John F. Cook would make an excellent treasurer of Howard University. Major Sylvester makes an excellent chief of police. Do your duty. It is noble. The Afro-American council was a fizzle. C. Maurice Smith would make a judge. The people don't want offices of the justice of the peace abolished. Some people cannot stand prosperity. Never allow a position to turn your head. There should be one colored bailiff in the Police Court. You should never be impressed with the idea that you know it all. You should never allow conceit to control your better judgement. The Senate committee will investigate the Police Court. Think wisely and express yourself intelligently. The South may be reconstructed some time soon. The republican party will have a hard struggle in 1900. Never despise the day of small things. The bogus committee of the Afro-American council should disband. If you are honest you need have no fear of doing your duty. The negro pulpit is in need of a reorganization.
